Dear Bill:

You told our office in May that the above named individual had been accused of sexual molestation twenty years ago, and you were going to do a little more investigation. So far, I have not heard from you with any additional material.

I am enclosing a record sheet which I would like to have completed, so we can identify Mr. Leight. This will be most helpful should he move to some other location and attempt registration.

I would, also, like statements from the individuals who made the accusations, if you can secure them. Otherwise, a narrative statement from you would be most helpful.

Thanks for your help.

Sincerely,

Paul Ernst, Director

Dear Bill:

We received a phone call from you in April 1989, concerning an Assistant Scoutmaster and a possible molestation case. I believe we have discussed this on the phone, but since I did not have a name and could not tie all my records together, I wondered if we had completed this matter.

It seems that an individual from Texas called about an Assistant Scoutmaster who had molested him when he was a child. The nephew of this individual was now in the troop.

Could you help me complete this matter, so I can tie all these records together.

You can call me on this or drop me a note in order to complete the file.

Sincerely,

Paul Ernst, Director

We are following up on this, since we would like to make certain that this individual is not registered if there is a concern today.

Please complete the enclosed Confidential Record Sheet and give us any other information which is available.
